## **NON-AGENDA ITEMS AND COMMENTS**

- **COMMISSIONERS ORAL COMMENTS**

**Chair Moylan** commented that this meeting is Rebecca Moon, Assistant City Attorney's, last meeting that she will be regularly supporting. He thanked her for her support and will miss her.

- **STAFF ORAL COMMENTS**

**Trudi Ryan** also thanked Ms. Moon for her support and said that we hope to still have her staff the Planning Commission, occasionally, as she provides backup to returning Senior Assistant City Attorney, Joan Borger.

### **City Council Meeting Report**

**Ms. Ryan** stated that there were two planning related items on the May 17<sup>th</sup> Council Agenda previously reviewed by the Planning Commission.

One was an application for a subdivision map for condominium purposes for an industrial property on Gibraltar Avenue in the Moffett Park Specific area. The Planning Commission granted the appeal of the applicant (previously denied at the Administrative Hearing) with a 4-3 vote. The City Council appealed the Planning Commission's decision to the City Council. Council voted 4-2 to deny the appeal and uphold the decision of the Planning Commission to approve the subdivision, modifying the decision by only allowing six condominium units instead of eight. They also imposed a condition that will appear in the CC & Rs that if four of the six condominium owners vote to sell it will force the other two to sell. This helps protect the long-range goals of the Moffett Park Specific Plan. Comm. Simons asked about CC&Rs and whether they are enforceable after modifications especially for industrial and housing. Ms. Ryan explained about CC & Rs and yes these are enforceable.

The second item was for a Use Permit at 715 North Pastoria Ave. to add a covered storage area. The City Council approved this item in accordance with action taken by Planning Commission.

**Comm. Sulser** asked about the Frances Street Transit Center Project which was also discussed at the May 17<sup>th</sup> meeting. Ms. Ryan said the conceptual design was accepted with some modifications to the plan to provide some additional pedestrian protection.

### **Other Staff Oral Report**

**Ms. Ryan** commented that the Planning Division has been doing some interviewing and hopes to be able to announce some additional staff soon.

**INFORMATION ONLY ITEMS**

**ADJOURNMENT**
